

European Physical Society Interdivisional Group on Accelerators (EPS-IGA)

The EPS-IGA is again sponsoring two European Accelerator Prizes. The Prizes, with no restriction as to nationality, are for individuals:

- in the early part of his or her career, having made a recent significant, original contribution to the accelerator field,
- for outstanding work in the accelerator field with no age limit.

The recipients will receive a certificate and a cash prize, which will be presented during a public ceremony at EPAC 2000. They will also be invited to make an oral presentation of the work which earned them the prize and to submit their contributions for publication in the Conference Proceedings. This Nomination Form, together with supporting documentation (brief curriculum vitae, list of relevant publications with copies of up to three of the most significant, and letters of reference from one or more Proposers justifying the nomination, etc.), must reach the EPAC Executive Secretary by the deadline of **3 December 1999**. When possible, please invite an individual from an external institution to act as a Proposer.

Accelerator Prizes Nomination Form

This proposal is for: Prize 1 (young physicist or engineer)
(*underline Appropriate Prize*)
